

A photograph of an outdoor event at night. The scene is illuminated by warm, glowing string lights that create a bokeh effect in the background. In the foreground, there are silhouettes of people and the branches of trees with green leaves and clusters of small, light-colored flowers. A dark teal rectangular box is overlaid on the right side of the image, containing white text.

Dietary Requirements & Service

We happily cater for special dietary requirements; vegetarian, vegan, gluten free etc for a minority of guests at no extra cost. Extra costs may only be incurred if a majority of guests have special requirements.

Our food and beverage service is limited to only between 5pm- 10pm.

Our staff will be serving you so you will be able to relax with your guests and enjoy yourself under the stars.

Grazing Table \$8pp / \$12pp

Our beautiful Grazing Table will be set up and prepared by our Chefs with locally sourced ingredients in time for your guests arrival. This will include:

- Housemade dips
- Seasonal vegetables/fruits
- Artisanal crackers
- Burleigh Baker sourdough
- A selection of cheeses and cold meats from Quince

Dessert

We can cater housemade desserts for your guests also. Our baker can work with you to create mini cakes, slices, or other sweet treats you had in mind for your guests. Cost will fluctuate depending on what you'd like.

Alternatively, if you would like to supply your own cake, we charge a cutting fee of \$20.

Entertainment

In our beautiful bay window we allow a solo artist or DJ to setup and perform for your event. We are happy to supply a list of suggested talented, local musicians upon request for you to hire. We also have an in-house Sonos Music System that you can connect to and select a playlist of your choosing. Musicians and DJs, however, will be expected to bring their own set up.

(Please note, due to our close neighbours, we do have strict noise restrictions and bass heavy electronic music will not be suited).

Furniture

Cornerstone is a blank canvas for your event. Stunning greenery against the red brick is the perfect start for making your event 'yours'. You are able to bring any decorations you wish, such as flowers, balloons, welcome signage and centrepieces. We have large pillar candles to softly light up the venue as a starting point, and the rest is up to you.

In hiring our event space you will have exclusive use of our tables and chairs.

If you are required to hire additional specific furniture, we have strict bump in and bump out times. Our staff do not set up hired furniture, decorations or flowers. All hired items are to be set up and removed by a third party.

Booking & Deposit

Bookings will be taken in order of response. If your guest numbers change greatly, we will need to re-calculate your quote. To secure your quote, you will need to pay a 20% non refundable deposit.

We will provide you with an events contract, which will outline all costs, requests and special requirements. In this contract are our House Rules, which we ask you read through before your event date.

Final numbers are required 14 days before the event. Full payment is required 14 days prior to event. No refund is given for guests that do not attend on the night.

We look forward to welcoming you and your guests.
